Subject: RE: Agenda for Tomorrow's Meeting with EPA

Hi Lisa- This message is to confirm that all of the Olin and ACC attendees on your side are cleared to discuss the information you submitted to us as CBI. We would like to be able to discuss the information you sent us freely during our meeting tomorrow. Also, out of an abundance of caution, I will have my folks call me directly and I will dispense with the call-in number as I believe all of your folks will be attending in person.

Thanks much-

Subject: Agenda for Tomorrow's Meeting with EPA
Importance: High

Hi Lisa- Good morning. Please find a suggested agenda for us to work from tomorrow.

Please let me know if this works for you. We have uploaded the data you sent via overnight courier into our CBI LAN. Thanks again for doing that—it will help us have a more productive meeting tomorrow. Several of our folks will have had the opportunity to look at the data before tomorrow's meeting.

I will be calling into the meeting, but I will have one of our folks escort your team in. You can still call me as my number is being forwarded or you can call Lea Carmichael as a back-up to have you escorted to the meeting room at 202-564-4689.

Best,

-Robert

Draft Tentative Agenda

1. Introductions
2. Problem formulation timing
3. Discussion of EPA follow-up questions on asbestos diaphragm use
4. Process for information exchange between EPA and Olin going forward
